

# Located on the historic corner of McKinney Avenue and Monticello, Chelsea Corner is better than ever.

Originally opened in 1974, Chelsea Corner is back at its original location on the iconic corner of McKinney Avenue & Monticello. Our historic building was first constructed in 1926 and was completely restored in 2016.

With a focus on rich heritage and the intent to sustain an iconic and long-lasting Dallas landmark - Chelsea Corner is something truly special within Dallas's flourishing Knox Neighborhood.

We invite friends new and old to join us in savoring incredible fare, hosting a memorable private event, weekend brunching, enjoying our 2,500 sqft dog friendly "backyard" patio or watching sports on one of our 21 large HD screens.

We're the new and old neighborhood spot. Thousands have said hello... we hope you will too.
